ANNUAL ELECTION FOR NEW BOARD MEMBERS IS FAST APPROACHING

Election time- Cast your vote on December 3, 2009, at the Marina Community Center, starting at 7:00pm

It's that time again. Your league is in need of individuals who want to make a difference for the 1000 kids playing in your league. Get involved!! If you see areas that are not perfect with the league; if you have ideas on how to make it better for ALL, we need your help. If you have ideas on improving our league, join the board. The current board is not one filled with personal agendas nor is this a group of individuals trying to run the league for their benefit only. All we are trying to do is better the league for the present and the future. But we need your help in order to make this vision and the dream come true.

Who to vote for

For this year's election, there are five (5) open positions that need to be filled. Actual titles are not distributed until after the voting is complete. The first five (5) candidates with the most votes received by those present to cast a vote will be officially named to the 2010 board. These newly elected members, along with the existing six (6) members on the board, will comprise the league's 2010 board.

The voting procedure

- Every team can have up to four (4) members of their team (coach, assistant coach, manager or parents) cast a vote.
- Only one vote per person.
- Results will be announced immediately after the voting has been closed and ballots counted.

The duties of a board member

- Attend monthly board meetings on the first Thursday of each month.
- For some positions as a board member, your presence may be required at some other meetings outside our league (district meetings).
- Assist in the operation of the league.
- Discuss general business and update all board members on issues you are directly involved with as required by your position.
- Assist with sign-ups and other events throughout the year.
- Attend other league meetings during the month as needed
- A board member's term is a two (2) year term.

Interested Individuals

If you are interested in becoming a board member, we would love to hear from you. Please email your name and phone number to: Tracie Botelho at traciebotelho@sbcglobal.net or Boris Huaman at bhurman1@comcast.net. You can also leave a message on the league's hotline at 510-278-7627(socr). Tracie or Boris will be in contact to discuss your interest.

GREAT FINISH – CONGRATULATIONS!!

A big congratulation to all our competitive teams for representing our league with the utmost respect throughout the year. Our competitive teams travel from San Lorenzo/San Leandro up to Livermore, Benicia, and Marin County and down to Fremont and Newark throughout the season. Hello SACYSL Coaches,

As this newsletter reaches you we hope that all is well with each and every one of you. It is hard to believe that this season has come and gone by so fast. We really want to pass on our sincere thanks and gratitude to each of you and your coaching staff for the countless hours and dedication that each of you put into your teams this season.

We both made it out to a lot of games this past season and were truly impressed with all of the soccer that we saw on the pitch. The coaches, players, parents, sisters, brothers, aunts, uncles, grandparents always showed a lot of enthusiasm and support from both sides of the touch lines and we want to recognize all of you for your efforts. Great Job!

We are hoping that all of you are planning to return next season to instruct and coach our great sport. We also will be working on more licensing classes for all coaches. So please let us know if you are coming back and make the time to attend the coaching courses. They are really beneficial to both you and your team. We will try to secure some dates by the time of the first sign ups for next season.

This is both of our first years as SACYSL Coaching Coordinators and we could not have made it through some of the issues without your support. As board members for this league we all work hard to improve our league. So we ask for your help on telling us what worked for you this season and also what did not work so well. We will work to improve on both. We also want to reach out and ask for more help making our league operate more effortlessly. We believe we have a lot of great people in SACYSL so if you had one on your team that doesn't want to coach but wants to help in other ways in the league, we would greatly appreciate you sending them our way.

In closing for this season we want to thank all of you once again for honoring our great game!

We cannot wait to see everyone back out on the pitch!

Awards

By the time you receive this newsletter, everyone should have received the participant awards for your child. There are a handful of teams that still need to pick up their awards. Please contact Kevin Toppings or Boris Huaman - Email always works: Kevin(ToppingsK@yahoo.com) or Boris (bhsoccermail@yahoo.com).

Sponsorship Plaques

Sponsorship plaques have been ordered and are expected to arrive by the 3rd or 4th week of November. Once we have them in, we will email everyone with instructions on where and when to pick them up. Any sponsor that donated \$250 or more towards your team will receive a plaque. I strongly recommend that you purchase a gift or plaque as a thank you towards any sponsorship that was below the \$250 amount. With this sign of appreciation, these sponsors typically come back year after year to support your team.
